

Cancer Support France: Cycle for Life, June 22-25, 2017

We are offering a flexible support package to participants of the CSF: Cycle for Life event including overnight accommodation, luggage transfers and transport to and from the route each day. The package is designed for riders participating in all 4 days of the event, but can be customised for those who only want to ride 1, 2 or 3 days. Please contact us for specific requests.

What you get

- 3 nights' accommodation (double occupancy) in 3 star hotels or chambres d'hôtes
- Transfer for you and your bike from your hotel to the start of the ride and from the finish to your next accommodation
- Luggage transfers to next destination
- Breakfast each morning

Pricing

This package is available for a rate of €400 per person in double occupancy or €550 in single occupancy.

This is a reduced rate in support of Cancer Support France and is only available to participants of the event and those cheering them on.

Optional and "a la Carte" services:

Transport:

We can also provide transport or luggage transfers for participants who are cycling one or more days, but who do not require help with overnight accommodation. For example, if after riding a single day you need to get back to the start line.

- Luggage transfers only: €25 per person (per day)
- Transport (with bike) from daily ride finish to start line: €25 per person

Accommodation:

If you are participating in one or more days of the event, but not the full 4-day challenge, we can still help you arrange accommodation and transfers on an individual basis.

Additional accommodation can also be arranged either before the event in Carcassonne or after the event in Sète.

Please contact us with your specific requirements. We would be happy to help.
